Mr. Singleton,

I want to thank you for serving as the keynote speaker for our 3rd Annual College and Career Day. Not only were your remarks perfectly aligned with our mission and core values, but your energy, humor, and amazing ball handling skills had our students extremely engaged. Your message about the “Law of the Harvest,” was fitting as it supported the professional panels that occurred throughout the day. Without a doubt, you made an indelible imprint on the psyche of our students.

You are doing tremendous work and we should discuss additional ways for us to collaborate. I wish you nothing but success as you continue to develop *Elevate New York*. It is my hope that our paths cross many times as we continue to cultivate the genius that resides within our youth.

For the Children,

Jonathan Foy
